

# "UBB Premium Equity Fund" Fund in equities

Bulletin date: 30/11/2020

For achieving the Fund's objectives, the Management company follows aggressive investment policy with active management of the investment portfolio. The Fund's financial resources are invested mainly in shares, approved for trade on Bulgarian and foreign regulated markets, that have high growth potential and show high volatility in their price, increase the risk and, respectively – the possibility for higher return. For structuring and maintaining a diversified investment portfolio and for investor's resources protection from unfavourable market tendencies, the Fund's assets are also invested in shares issued by foreign issuers, as well as in debt securities issued by governments, municipalities and Bulgarian and foreign corporate issuers.
